EAST RICH ENTERPRISE CO., LTD.

www.eastrich.com.tw

Introduction of East Rich

We are one of the leading manufacturers and exporters of top quality brush products; specialize in artist brushes, dental brushes, acrylic nail brushes and cosmetic brushes. You'll be surprised to find many brushes you need in this company. The only thing you can do is just to try. We offer as many quality choices while maintaining an ongoing commitment to our customers' need for excellence. The biggest difference between us and other companies is our determination to continue developing and building better products that make a difference in performance, product life, and price. We can produce most of the brushes according to your detailed specifications. It is even better if you could send us your samples and private labels are available. You are invited to develop a long-term business relation with our fast growing company.

Professional

All of our brushes are handcrafted by the leading brush specialists who continuously upgrade their skill

Quality

We have established a high reputation in many countries of the world for reliable products.

Service

Our staff will strive to provide you the most efficient and professional services on which our customers can depend.

Trust

You will get the excellent after-sales service for our reliable brushes

Opportunity

Maybe you will find the good business opportunity through the business relations with us in the endless potential market in China.

Hair

our brushes are generally made from types of hairs below.

Finest Kolinsky Hair	Finest Sable Hair	Sable Hair (MIX)	Ox Ear Hair
Squirrel Hair	Synthetic Hair	Bristle Hair	Pony Hair
Goat Hair	Finest Raccoon Hair	Badger Hair	Mascara
Sponge			

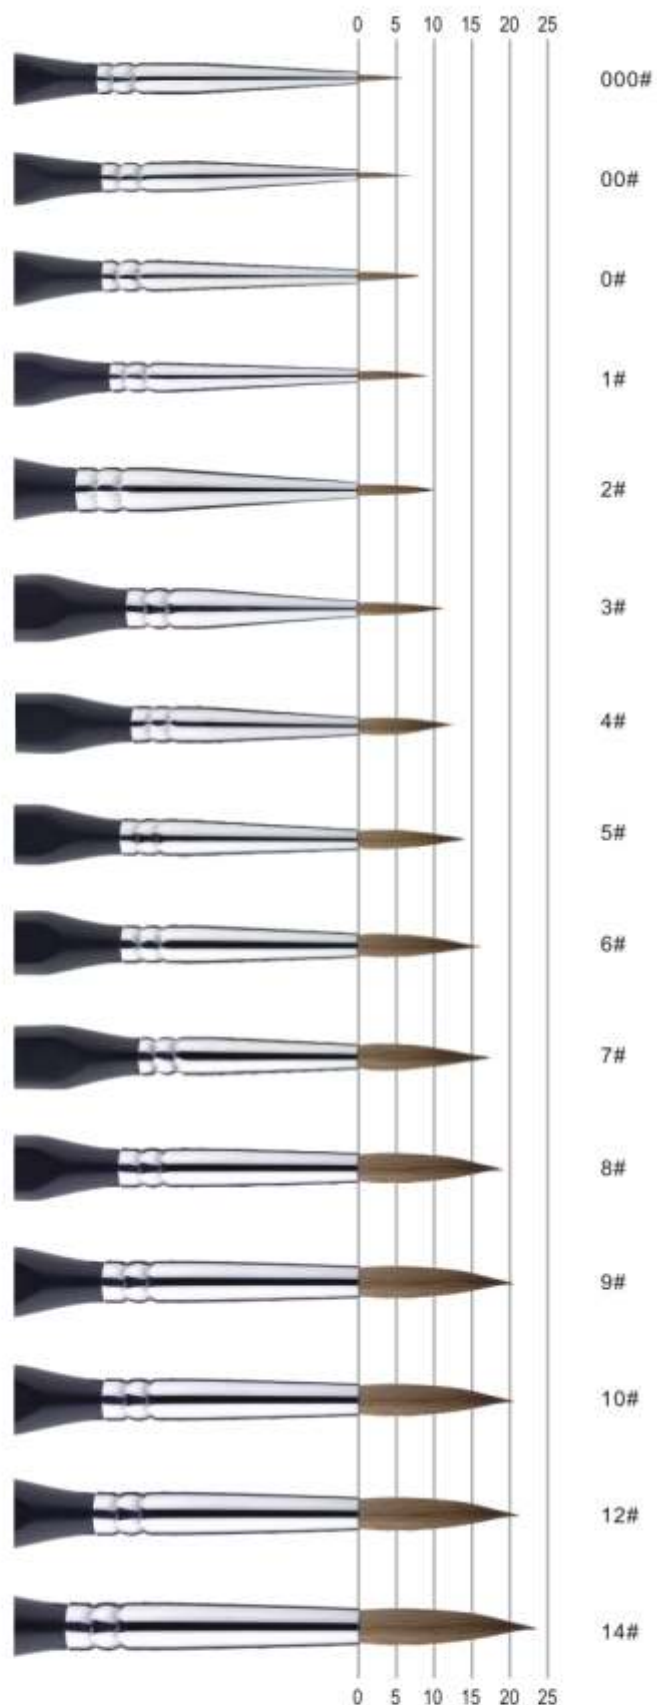

You may change the hairs you prefer to meet different handles.

Handle

There are wooden handle, metallic handle, marble handle, acrylic handle etc.
